### CLARIFICATION

After completion of the second draw the top 4 teams in B will move up to A (for playoffs this will be B Division along with team 6 in A) & the bottom 3 teams in A will drop to B (for playoffs this will now be C Division along with teams 5 & 6 in B). In case of ties the following will be tie breakers: head to head but if more than 2 teams tied & if those teams all beat each other, total ends.

The teams will be split into 4 divisions for playoffs.

I hope this clarifies how the 4 divisions will be set. All other rules are set out in the Playoff Rules previously sent out. If you have any questions or concerns please feel free to ask.

Please continue to start early if possible & keep the pace of play quick.
