

# DESCRIPTION OF FEES

## REGULAR MEMBERSHIP FEES

Most adults who wish to play in more than one league should select an “Unlimited” membership fee of \$525.00. This allows play in as many leagues as desired. Other members pay a single league fee for the one league that they decide to curl in. Fees include the use of a locker, OCA membership fees and all taxes.

## OTHER MEMBERSHIP FEES

**NEW MEMBER \$99 INTRODUCTORY SPECIAL-**Anyone who is new to the club may join in one single league to December 31, 2011 for \$99. Should you decide to continue curling for the remainder of the season then you would deduct the \$99 from the league fee and pay the remainder. This special of \$99 also applies if you join from January 1, 2012 until the end of the curling season.

## DEBENTURES

Each curling member shall be required to purchase a debenture in the amount of \$50 prior to the thirtieth day of November in their second year of curling with the club. Debentures are waived for the following classes: Junior, Intermediate, Senior and Social. Members in any of these classes may, at their option, purchase a debenture for \$50. This gives you voting rights at the “Annual General Meeting”.
